OFFICE ORDER

Sub: Implementation of online process for UG and PG Courses
Practical/Vice-Voce/Dissertation Examinations in place of OMRs-reg.

Ref: 1. Proceedings of the Tech Meeting held on 08-09-2020.
2. Approval of the Hon'ble Vice-Chancellor dated: 14-09-2020.

The valuation of Practical examination marks has been computerized by developing a software to expedite the process of declaration of results.

Hence, to implement the software developed for online Batch Making, Time-Table preparation, Examiner allotment & Marks capturing of UG & PG Practical/Viva-Voce Examinations of September / October 2020 and onwards is noted below:-

The Online Practical Marks system offers the following advantages:

- Eliminates the Manual Errors in capturing the marks
- Reduces the time taken for announcing the results
- Allows the automatic allotment of Practical Duty to the teachers, and reduces the burden on the Chairperson of the of the Board of Examiners
- Secures the entry of the marks through a secret OTP (One Time Password) send to the mobile phones and email of the examiners
- Double entry of Practical marks eliminates errors in entry of marks
- The captured Practical Allotment data can be used for future Analytics and Decision Support.
